18 years of product innovation

Outstanding design and product innovation have been the hallmarks of Flamerite Fires from the outset. Our company has led the way for eighteen years in changing the electric fire from a basic product falling out of fashion into a stylish contemporary product sought after by homemakers old and young for homes of all kinds.

Flamerite Fires won three Hearth and Home awards the first time of entering, in 2002, and has been winning ever since, scooping prizes in some categories several times - Best Inset Fire, Best Electric Fireplace Suite, Fireplace Suite of the Year, Best Stove, Appliance of the Year.

Good looks, coupled with high quality manufacture and first class customer service make Flamerite Fires a winner with retailers and consumers every day.
